

NICOLAS JIMÉNEZ EAGLE SCOUT PROJECT ~

Nicolas shares this with PUMC: "My Boy Scout Eagle Scout Project is dedicated to our Church. The project is to do front landscaping at the Parsonage, located on Indian Boundary Road, on April 27th & May 4th from 9am- noon. We will remove existing bushes and plant new ones. I need volunteers to help support this project financially, which will be used to purchase the plants & materials, as well as volunteers to work one or both days. For those able to help work, please bring gardening gloves, shovels, trowels, wheel barrow, etc. This will make the home of our Pastor's, which is owned by our Church, more beautiful. I will be standing outside the Sanctuary today to collect any financial donations you feel you would like to make. Also if you are interested in volunteering for one or both work days please contact me at (815) 439-5658 or via email at my Dad's email address at nelson_jimenez@sbcglobal.net. I appreciate your help and support for this project!!!!" **Thank you, Nicolas Jiménez**

DRIVERS & PASSENGERS NEEDED FOR VIM RIDES ~

Want a way to contribute to the Volunteer In Mission (VIM) ministry at PUMC? Contact the church office to let us know you would be willing to (1) transport people to and from the airport OR (2) become a passenger. Drivers donate their time and vehicle and passengers use this transport, instead of hiring a limo, and then make a donation to the church based on what you would normally pay a limo for this service. This year, the donations from this ministry will support the young adult mission trip in August. **You can help others be in ministry around the globe when you assist with this program either as a driver or a passenger.**
