Please register ahead of time to ensure we have enough of the vaccine on hand Sunday November 3rd - please contact Danielle Ivins Parish Nurse by phone or email with your name, date of birth and whether or not you have Medicare. There will also be a sign up sheet placed in the PUMC office.

**PUMC Video Ministries** have been providing video records of Sunday services and special occasions since 1992. These records have been preserved on VHS video tapes and since 2007 they have been placed on DVDs for preservation.

This has now become a storage space problem. Effective with September 29th services we will be transferring this information onto church network drive.

Upon completion of this project, all videos will be accessible through the church website, with the ability to view and or copy the information to media on your computer.

During this transitional period we will provide any necessary copies that are needed. Please contact the church office to request these copies and allow at least a week's lead time to prepare these DVDs.
