Free Market Volunteers Needed!

Thank you all who have already signed on to join the Really Really Free Market "squads". We are in our "pre-event" phase now, which includes taking flyers and passing them out at events and businesses - this is a huge part of getting our message out. Then later on this month we will begin the task of sorting the donated items. We still need lots of hands (and hearts) to make this a really really successful outreach - will you consider volunteering? I will be on hand after service to answer questions you may have.

Thanks so much!
