Really Really Free Market Updates The Big Day is Near (Sat Aug 4th)

Today the clothing racks will be set up in fellowship hall AND; the class rooms have been prepped and marked so that donated items can be placed directly into the rooms AND; posters and flyers have been distributed throughout the community, organizations & businesses AND; newspapers and radios have been contacted AND; volunteers have stepped up to help before during and after the day (but we need more!) AND; organizations are standing by to handle poor textiles, and the leftovers!

Now that all the infrastructure is in place, its time for the Big BIG process of taking in the donations to sort and organize the thousands of items that will become someone's TREASURE!

For those of you that have worked the free market before, you know what to do! Please help our newbies as you can- there will be printed guidelines in all the rooms to assist ! We are hoping to always have one or two seasoned workers on hand for additional questions, but if you need help on something please feel free to call my cell phone (815-351-9004), Carol May . I will be on hand daily beginning July 29th.

Finally we are asking for more volunteers to step up to help with the pre-event work (sorting and organizing), and event day shifts (middle shift is really needed!) Please consider helping with this awesome community outreach!

We will be outside after church with signup sheets to take your name and answer any questions about the free market you have.

Thank you!
